

Ellis Gallery - Venue Specifications

Description

Despite being the more intimate of the three rentable spaces in the museum, the first-floor gallery is suitable for exhibitions and is characterised by its vintage floor tiles. The space measures 6.62m x 2.55m. The door at the far end of the gallery leads to a balcony, overlooking Archbishop Street.

Our current Covid-19 policy restricts use of this gallery to 4 people at any one time.

We do our utmost to accommodate any special requests when renting our spaces.

Exhibition Facilities

Frames can be hung using the 'Artiteq' system which is already available at the museum.

Disabled Access

The Museum as well as the Gallery are wheelchair accessible. The venue also offers access to disabled toilets.

Cremona Gallery - Venue Specifications

Description

This is the main audio-visual gallery. It is situated on the second floor and measures 10.66m x 4.50m. It caters for lectures, exhibitions, seminars, film screenings, team building exercises and corporate events. The gallery is a versatile space suitable for stand-up parties, concerts and other functions - the space has been utilised by performing arts groups. The audio-visual gallery can seat approximately 75 people (tables and seating at an extra charge). It is equipped with two Full HD projectors. For more information on the audio-visual features of the Cremona Gallery please see the next page.

Our current covid-19 policy restricts use of this gallery to 12 people at any one time.

We do our utmost to accommodate any requests for extra equipment.

Terrace - Venue Specifications

Description

Our spacious roof top terrace boasts a wonderful view of Valletta. It measures 13.36m x 5.24m, making it the most spacious area at the museum. This area is wheelchair accessible as the museum lift services all floors. The terrace is much loved for its versatility - three wide doors leading to the terrace can be opened to allow more access onto the third floor which can also be used for extra space and the ability to accommodate more people.

We do our best to accommodate any special requests such as food, drinks and extra equipment.

We have hosted working breakfast and lunches – contact us for a tailor-made solution.

Seating Capacity

This area is suited for stand-up events but can also be kitted out with chairs if required.

Disabled Access

The Museum as well as the terrace are wheelchair accessible. This venue also offers access to disabled toilets.
